Disability Access Fund is paid to the child's early year provider as a fixed annual rate of £615. Funding can only be paid to one provider.

The funding aids access to early years' places, it should help towards making reasonable adjustments and/or helping with building capacity, be that for your child, or for the benefit of children as a whole attending the setting.

If your child is in receipt of Disability Living Allowance, please tick the relevant boxes below and ask your provider for information on how to make an application.

I do not intend making an application for funding to be paid to the provider named	
in this form	

3. SETTING AND ATTENDANCE DETAILS

You need to agree and complete a Parent Agreement Form with each setting your child attends for their early years funded entitlement of 15 or 30 hours per week.

Your child can attend a maximum of two sites in a single day and if your child attends more than 1 setting Bradford Council will split the funding paid to each setting.

If you are eligible for 30 hours, 15hrs are universal hours and 15hrs are extended hours, you need to indicate in the table below where your universal and extended hours will be accessed. This is particularly important if you become ineligible for the extended hours as you would still be entitled to the Universal 15 hours.
