Dear Louise

Following your second Early Years Ofsted Inspection on 19.05.2025, I have recently been informed of your fantastic achievement of gaining an "Outstanding" Ofsted judgement. It has been a pleasure to read about the exceptional work you are carrying out to support the youngest children in our District and preparing them for the next stage of their learning journey.

Your Early Education and Childcare Quality Officer, Liz Dean said – This is a truly excellent achievement as this is now their second Outstanding grading. Some of the comments in the Ofsted inspection report reflect why the nursery is outstanding:

- Children are excited to attend this vibrant, richly resourced and highly inclusive nursery.
- Staff are excellent role models. They have high expectations for children's behaviour and expertly use positive strategies.
- Leaders have expansive and inclusive self-evaluation systems. There is an excellent investment in staff's well-being and professional growth and development. This is reflected in staff's high quality and motivating interactions.

On behalf of the Bradford Metropolitan District Council, I would like to congratulate you (and your team), and I would like to take this opportunity to thank you for all your hard work and dedication in what has been a very challenging time with the cost-of-living crisis.

Yours sincerely,

**Susan Kenny**
